My Darling Wife,

You are the Sweetest person
in all the World and I Love
you more than all the other
people in the World. Darling
you are my dream girl and
dream of you every night. May
God Bless you and keep you, until
I come home, then we will
always be together.

Darling I don't know just
exactly where to send this
letter because I don't know
whether you are still at
home or in Texas or Kansas
so I will send it to you
at your mother's and she
can forward it if you are gone.

I haven't had a letter from
you since the 13th of Dec.

But I am still hoping to get
a big stack of them soon.
maybe even a gross at one
time. Then I will sit down
and read them all several times
reading letters from you
makes me feel very much
closer to you.

Darling don't look for
any letters from me, written
between the 20th of Dec and
the 1st of Jan. I just wasn't
in a position to write but
I will try to write you every
day now. Be sure to let
me know which you get
first v-mail or air mail.

I think I told you in
my last letter that I
came through London. Well
that was all so I couldn't
look up Harry.

Darling you once said
that if I needed anything
to let you know. Well here
goes. I need a Box of Cigars
and a Good pipe. you see
I broke my old pipe somehow.
Either a Good Yellow Bowl pipe
or a Royal Demuth. I prefer
the Royal Demuth.

Honey I am so anxious to
know if you are pregnant that
I can hardly wait to find out.
Please let me know for sure
as soon as possible.

I was in Paris this Week.
Of Course it is different from
a few years ago But it is
still quite a place. Maybe
I can send you something from
Paris if I get a chance to
Buy some gadgets. Would you
like that? Well if I can
I will But don't look for them
till you see em coming.

How about Bill Kemplin? Did
they take him in the army or
not? If they have I want
you to send me his address
I bet he sure was a sad ^{apple}
having to go just before X-mas.
Well didn't we all. —

How is ma and what is
she doing? I hope if you did
did go to the army that you
live in Texas with her. I
know that you would like
it there and you could have
some fun in Dallas. Also
you can learn to play Bridge
and when I come home you can
teach me.

Darling I will close for
now, thinking of you and
loving you more than ever.
Your Loving Hubby
Bob
